PROFESSIONAL EXPERIENCE

Caribou Coffee | Loyalty & CRM Marketing Analyst Intern Chicago, IL | Jun 2026 – Sep 2026

- Analyzed transactional data from a loyalty database covering 2M+ members using SQL, R, Visual Studio, and Claude Code; applied Propensity Score Matching and Difference-in-Differences (DID) to quantify the incremental impact of digital ordering adoption on visit frequency, translating behavioral insights into actionable customer segmentation, CRM targeting, and growth strategies.
- Synthesized quantitative and qualitative insights into a full customer journey map and 6 actionable campaign briefs covering onboarding, win-back, upsell, and personalized promotion; presented strategic recommendations and campaign ideas directly to C-suite executives (CEO, CFO, COO, CMO) and the broader leadership team, delivering a comprehensive analysis report.
- Built automated CRM performance dashboards tracking redemption rate, average order value, frequency, and churn risk, enabling real-time campaign optimization and reducing manual reporting time by 40%.

Deloitte | Consulting Intern – Customer & Marketing Strategy Shanghai, China | Jul 2025 – Sep 2025

- Supported customer satisfaction and marketing strategy research projects for two Fortune 500 clients – an EV automotive manufacturer and an aviation cargo terminal – through survey design, data collection, and expert interviews.
- Built an end-to-end Excel dashboard from scratch using Pivot Tables, VLOOKUP, and VBA to automate metric aggregation and reporting, enabling real-time tracking of CSAT scores, NPS, and trend analysis.
- Supported client-facing meetings and presentations by preparing data analyses, market research reports, and strategic recommendations, contributing to a \$2M+ project engagement.

Wayfair LLC | B2B Marketing & CRM Analyst Co-op Boston, MA | Jan 2023 – Jul 2023

- Developed the Sales Education Email channel for on-demand B2B customers, leveraging BigQuery, SQL, Looker, and Excel to monitor performance and guide strategy, driving a 10% increase in conversion rates in the targeted segment.
- Designed and executed 8 A/B tests to evaluate email subject lines, content layouts, and send times, optimizing channel performance and improving email campaign click-through rate by 30% relative to baseline (from 2.1% to 2.7%).
- Collaborated with cross-functional teams (B2C Marketing, Design, Sales, Data Analytics) to align channel strategies with overall marketing objectives, and supported data analysis for the Direct Mail channel, helping refine audience targeting and improving campaign ROI by 15%.

Huayi Brothers Media Corp | Social Media & Content Marketing Analyst Intern Shanghai, China | May 2021 – Sep 2021

- Conducted daily marketing analytics using Excel and Python to evaluate celebrity exposure and content performance on Xiaohongshu (RED) and Weibo, analyzing trending topics, hashtag performance, and engagement patterns to optimize content scheduling, increasing follower engagement rate by 25% (from 3.2% to 4.0%).
- Collaborated with content creators and brand partners to execute 5+ integrated marketing campaigns, tracking campaign performance and delivering post-campaign analysis reports that informed future content strategy.
